

How to Determine your Ring Size

Use our printable ring sizing chart to decide what ring size to choose for yourself or a loved one, with one of these accurate methods.

When printing this PDF be sure to select "Actual size" to ensure the correct measurements

1. USE AN EXISTING RING

Using an existing ring that currently fits the finger you are purchasing a ring for, match one of these circles to the **INSIDE** of the ring.

2. USE OUR PAPER RING SIZER

PRINT this page.

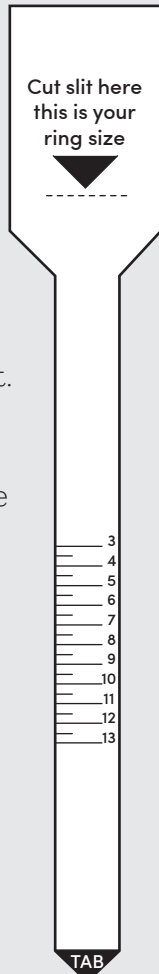

CUT out the ring sizer.

CUT a small slit on the dotted line.

SLIP the pointed tab through the slit just a bit.

SLIDE the ring sizer on your finger, and pull the tab till the fit feels snug but comfortable.

READ the number pointed to by the arrow, this is your ring size.

3. USE A STRING

WRAP a string around the base of your finger

MARK the point on the string where it overlaps

MATCH the length of the string to the lines below to determine your size
